Scottsdale Public Library System
DMHS Teacher's Library Card Agreement

I accept the following conditions upon **receipt** and **use** of my teacher's library card:

- I understand that I must have my teacher's library card with me in order to check out items at the library.
- I will use my teacher's card to check out items for my professional use as a teacher or administrator at Desert Mountain High School. I will use my personal library card to check out library materials that will be used for all other purposes.
- The check-out limit is up to 30 items and up to 12 requests at any given time.
- I understand that I am financially responsible for the library material that I check out with my teacher's library card. If I lose an item checked out on my card, I agree to reimburse the Library for the value of the item plus a \$5 non-refundable processing fee within 30 days.
- Although overdue fines will not be assessed against this account, I agree to return materials on time or to renew items that I need for a longer period of time. I understand that I cannot check out items for extended periods such as a semester, because the Library needs to make them available for others to use.
- I will not check out items for students to use outside of my classroom.

I understand that failure to comply with these terms may result in the loss of my privilege to use my teacher's library card.
