

1000 Books Before Kindergarten

Our desert friends are here to say, "Have a happy reading day!"

Here's how to participate:

For every book you read (repeats count), your child can color in a cactus on the reading log. You can also count 'Early Learning Moments' like singing a song, doing a fingerplay, or writing with sidewalk chalk.

- Sign-Up and check out books at the Scottsdale Public Library.
- Get a tracking form and start coloring in one space for every book read or 'Early Learning Moment' shared.
- Bring the log to the Scottsdale Public Library to track your books/moments and see if your child qualifies for an incentive. *(Incentive levels – 100, 300, 600, 1000 cacti)*
